

Divine Threads is an outreach supported by Iron Faith Fellowship Church. The objective is to provide clothing, socks, shoes, toiletries, etc., to those in need in our community. We have a variety of clothing for women, men and children, casual clothing such as t-shirts, jeans, men's suits, sport jackets, dress pants, women's office appropriate clothing and some dress and prom dresses.

While we pray these are never needed, we are also available in case of emergencies such as fires, floods, and any other circumstance where these items would be immediately needed.

Drop box provided at the far end of the church for clothing donations.

Open by Appointment Only ~ Call to schedule your appointment.
